

**The continuous forms Office Shredders.**

The **roto® S 600-A** series Office Shredders are quiet, fast and powerful machines, which are available in versions to suit the office that has **continuous forms along with other office media to shred**. This high capacity series is equipped with **large durable 140 litre waste bins** with dust-free PVC bags, housed in an attractive cabinet with specially designed continuous forms shelves. The **wide throat** makes this powerhouse perfect for every shredding application offered in various cut dimensions from strip level 2 to cross cut level 5.

**The operation is very easy and fast:**  
As soon as you present the paper – **up to 30 sheets at one time** – the shredder automatically starts to work. After the shredding process the machine will stop automatically. If overloaded the shredder will stop and reverse automatically, allowing easy removal of miss-feeds. Internal intelligence monitors all shredder functions (bin full, door open, jam etc.).

**Cutting systems:**  
The cutters are made of **special tempered steel** and will readily accept small clips and staples **guaranteed for 5 years**. In addition this series is available in models that can **destroy credit cards, CD's and floppy discs** (except S 600 HS-5).

The series S 600-A is available with the following models:  
• Strip Cut: S 600-A SC-1  
• Cross Cut: S 600-A CC-3 / S 600-A CC-4 / S 600-A HS-5

- The highlights of the series S 600-A are:**
- Automatic On/Off control and reverse function
  - Different cutting types incl. security level from 2 to 5
  - Multi media destruction of credit cards, floppy discs and CD/DVD's
  - Attractive cabinet with work shelf and casters for mobility
  - Durable waste bins with easy dustproof emptying with changeable PVC bags
  - Large 140 litre waste bin
  - Automatic Stop when the bin is full and/or when the door is opened
  - Exceptional price-performance ratio

**Accessories:**
