The strong semi industrial shredder developed for a flexible destruction of any kind of sensitive documents.

The **roto S 1000 series** is a semi industrial shredder fitting in the high-capacity and large volume devices like IT departments, archives and central office floors. This machine combines the advantages of a heavy duty stationery shredder with the flexibility of a department shredder! This machine can handle sensitive material on paper from DIN A4 to DIN A3 sizes, but also **credit cards, floppy disks, passports, etc. ...**

This series is characterized by hardened solid steel cutting rollers, a powerful drive for high performance, a **430 liters waste bin, quiet operation and low running noise.**

The series S 1000 is available in the following models:

- **S 1000 SC-1:** Strip Cut
- **S 1000 CC-2 / S 700 CC-3:** Cross Cut
