

**roto office shredders S 300 SC-0 / SC-1 / SC-2 / CC-3 / CC-4**

[www.roto-roto.de](http://www.roto-roto.de)

## The ultimate small office shredder.

The **roto S 300 series Office Shredders** are **robust fast all-round performers**. Thanks to their compact dimensions and the paper entry on the front side these models can be set up under or next to every desk. The **S 300 series** is offered in both **strip and cross cut**.

### The operation is very easy:

As soon as you feed paper into the paper entry – up to 27 sheets per pass – the shredder starts automatically to work. After the shredding process is finished, the machine will stop automatically.

### Cutting system:

The cutters are made of **special tempered steel** and will readily accept small clips, staples and credit cards **guaranteed for 5 years**. The **S 300 SC-0 / SC-1 / CC-3** are designed to accept **CDs** as well.

### The series S 300 is available in the following models:

- **S 300 SC-0 / S 300 SC-1 / S 300 SC-2:** Strip Cut
- **S300 CC-3 / S 300 CC-4:** Cross Cut

### The highlights of the series S 300 are:

- Automatic On/Off control
- Reverse function
- 5 different cutting types
- Solid wooden cabinet
- Durable waste bin with optional dust-free PVC bag
- Waste bin can also be used as receptacle for normal waste paper
- Automatic Stop when the bin is full and/or when the door is opened
- Exceptional price-performance ratio

### Accessories:

For **better shredding performance** of the **Cross Cut models** we recommend the use of our **special roto shredder lubricant**. We also supply the **appropriate PVC bags**.

5 years warranty on the cutting units

Easy and clear manipulation

Media capacity:  
Credit Cards, CDs

Bin can be used as receptacle for normal waste paper

Waste bin with PVC bag enabling dust-free emptying
