## Medium sized office shredders with large sized performance.

The **roto S 500 series Office Shredders** are quiet, powerful and fast machines, **available in different versions to suit every medium to large sized office**. This high capacity series is equipped with durable large 65 liters waste bins with dust-free PVC bags and **mobile cabinets with casters** so they can easily be moved to the shredding need. **Offered in all the popular cut dimensions**, designed to fit any application from high capacity strip cut to high security cross cut level 6 models.

### The operation is very easy:

As soon as you feed paper into the paper entry – **up to 45 sheets per pass** – the shredder starts automatically to work. After the shredding process is finished, the machine will stop automatically. If overloaded the shredder will stop and reverse automatically, allowing easy clearing of any miss-feed. Internal intelligence monitors all shredder functions (bin full, door open, jam etc.)

### Cutting system:

The cutters are made of **special tempered steel** and will readily accept small clips and staples **guaranteed for 5 years**. In addition this series offers models which can destroy **credit cards, floppy discs and CDs** (except S 500 HS-5 / HS-6).

### The series S 500 is available in the following models:

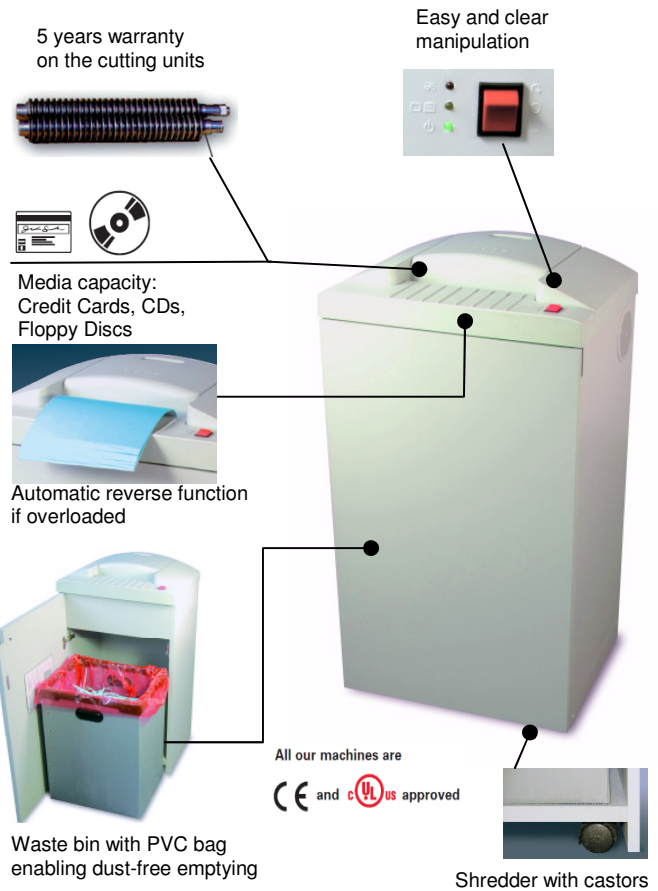

- S 500 CD / S 500 SC-1: Strip Cut
- S 500 CC-3 / S 500 CC-4 / S 500 HS-5 / S 500 HS-6: Cross Cut

### The highlights of the series S 500 are:

- Automatic On/Off control and reverse function
- Different cutting types incl. security levels 2 to 6
- Multimedia destruction capabilities like credit cards, floppy discs & CD/DVDs
- Solid wooden cabinet with casters
- Durable waste bin with easy dustproof emptying and exchangeable PVC bags
- Large 65 liters waste bin capacity
- Automatic Stop when the bin is full and/or when the door is opened
- Exceptional price-performance ratio

### Accessories:

For **better shredding performance** of the **Cross Cut models** we recommend the use of our **special roto shredder lubricant**. We also supply the **appropriate PVC bags**.
