

roto office shredders S 600-A SC-1 / CC-3 / CC-4 / HS-5

www.roto-roto.de

The continuous form office shredders.

The **roto S 600-A series Office Shredders** are quiet, fast and powerful machines, which are available in versions to suit the office that has **continuous form along with other office media to shred**. This high capacity series is equipped with **solid large 140 liters waste bins** with dust-free PVC bags, housed in an attractive cabinet with specially designed continuous form shelves. The **wide throat** makes this powerhouse perfect for every shredding application offered in various cut dimensions **from strip cut level 2 to cross cut level 5**.

The operation is very easy:

As soon as you feed paper into the paper entry – **up to 30 sheets per pass** – the shredder starts automatically to work. After the shredding process is finished, the machine will stop automatically. If overloaded the shredder will stop and reverse automatically, allowing easy removal of miss-feeds. Internal intelligence monitors all shredder functions (bin full, door open, jam etc.).

Cutting system:

The cutters are made of **special tempered steel** and will readily accept small clips and staples **guaranteed for 5 years**. In addition this series offers models which can **destroy credit cards, CDs and floppy discs** (except S 600 HS-5).

The series S 600 is available in the following models:

- **S 600-A SC-1:** Strip Cut
- **S 600-A CC-3 / S 600-A CC-4 / S 600-A HS-5:** Cross Cut

The highlights of the series S 600-A are:

- Automatic On/Off control and reverse function
- Different cutting types incl. security levels 2 to 5
- Multimedia destruction capabilities like credit cards, floppy discs & CD/DVDs
- Attractive wooden cabinet with work shelf and casters
- Solid waste bin with easy dustproof emptying and exchangeable PVC bags
- Large 140 liters waste bin
- Automatic Stop when the bin is full and/or when the door is opened
- Exceptional price-performance ratio

Accessories:

For **better shredding performance** of the **Cross Cut models** we recommend the use of our **special roto shredder lubricant**. We also supply the **appropriate PVC bags**.
