

roto office shredders S 700 SC-1 / CC-3 / CC-4 / HS-5

www.roto-roto.de

The ultimate large department shredder.

The **roto S 700 series Office Shredders** are designed for the **large department that has multiple users and high volume**. This attractive series has a huge dust-free waste bin, wide throat, is quiet, fast and very powerful **for high volume continuous use**. This special designed shredder destroys everything from wide continuous forms to general office papers. In addition this series offers models which can **destroy credit cards, CD/DVDs and floppy discs** (except S 700 HS-5).

The operation is very easy:

As soon as you feed paper into the paper entry – **up to 50 sheets per pass** – the shredder starts automatically to work. After the shredding process is finished, the machine will stop automatically. If overloaded the shredder will stop and reverse automatically, allowing easy removal of miss-feeds. Internal intelligence monitors all shredder functions (bin full, door open, jam etc.).

Cutting system:

The cutters are made of **special tempered steel** and will readily accept small clips and staples **guaranteed for 5 years**. In addition this series offers models which **can destroy credit cards, CDs and floppy discs** (except S 700 HS-5).

The series S 700 is available in the following models:

- S 700 SC-1: Strip Cut
- S 700 CC-3 / S 700 CC-4 / S 700 HS-5: Cross Cut

The highlights of the series S 700 are:

- Automatic On/Off control and reverse function
- Different cutting types incl. security levels 2 to 4
- Multimedia destruction capabilities like credit cards, floppy discs & CD/DVDs
- Large wooden cabinet with casters
- Solid waste bin with easy dustproof emptying and exchangeable PVC bags
- Durable, very large 170 liters waste bin
- Automatic Stop when the bin is full and/or when the door is opened
- Exceptional price-performance ratio

Accessories:

For **better shredding performance** of the **Cross Cut models** we recommend the use of our **special roto shredder lubricant**. We also supply the **appropriate PVC bags**.

Technical features	S 700 SC-1	S 700 CC-3	S 700 CC-4	S 700 HS-5
